WHEREAS, Air dominance has become a signature of our armed forces and a determining factor when our military is drawn into combat throughout the world; and

WHEREAS, Kansas' defense and aerospace industry invests millions of dollars and employs thousands of highly skilled workers in Kansas; and

WHEREAS, Defense and aerospace companies in Kansas provide our military with cutting edge technological components that are used to assemble vital military products, like the United States Air Force's new generation fighter, the Lockheed Martin F/A-22 Raptor; and

WHEREAS, Projects like the F/A-22 Raptor will bring more than \$32 million dollars to the Kansas economy while providing thousands of Kansans with high quality jobs, thus stimulating the aerospace industry in the state; and
